Proposed agenda

1. Election of Chairman of the Extraordinary General Meeting
2. Preparation and approval of voting list
3. Election of one or two persons to attest the minutes
4. Determination of whether the Extraordinary General Meeting has been duly convened

5. Approval of the agenda
6. Resolution on approval of a directed issue (Tranche 1)
7. Resolution on approval of a directed issue to Cajory Defense AB in accordance with Chapter 16 of the Swedish Companies Act (Tranche 2)
8. Closing of the Extraordinary General Meeting

Item 1 – Election of Chairman of the Extraordinary General Meeting

The Board of Directors proposes that Sandra Broneus from Advokatfirman Delphi is elected as chairman of the Extraordinary General Meeting, or in her absence, the person appointed by the Board of Directors.

Item 6 - Resolution on approval of a directed issue (Tranche 1)

The Board of Directors proposes that the Extraordinary General Meeting resolves to approve the Board of Directors' resolution of 12 March 2026, on a directed issue of not more than 1,800,000 shares, entailing an increase in the share capital of not more than SEK 90,000. Before the new shares have been registered with the Swedish Companies Registration Office, subscribers shall receive so-called paid subscribed shares (BTA). The resolution shall otherwise be governed by the following terms and conditions.

1. The subscription price for the shares shall be SEK 50 per share, which is based on the price determined in an accelerated bookbuilding procedure conducted by DNB Carnegie Investment Bank AB (publ) ("**DNB Carnegie**"), totalling SEK 90,000,000 if all shares are subscribed for. As the subscription price in the rights issue is determined through an accelerated bookbuilding procedure carried out by DNB Carnegie, it is the board of directors' assessment that the subscription price is secured on market terms.
2. The right to subscribe for the new shares shall, with deviation from the shareholders' preferential rights, only be granted to DNB Carnegie, acting as settlement bank in the issue, on behalf of a number of mainly institutional investors. The Board of Directors has made an overall assessment and carefully considered the possibility of raising capital through a rights issue. The Board of Directors considers that the reasons for deviating from the shareholders' preferential right are (i) to increase the flexibility of the timing of the Share Issue to minimize dependency on market conditions as a rights issue would take significantly longer to complete and entail a higher exposure to market risks, as well as risk for a potentially adverse effect on the share price, (ii) to benefit from the cost savings associated with the reduced necessity to utilize more bank financing, (iii) that the Share Issue, in relation to the Company's market capitalization, is limited in size, which entails that a rights issue process is disproportionately burdensome to carry out, causing costs in the form of time-consuming processes for the Company, (iv) to carry out a directed share issue can be made at lower costs and with less complexity than a rights issue, and (v) to strengthen the Company's shareholder base with Swedish and international institutional investors in order to maintain and enhance the liquidity of the Company's share. Considering the above, the Board of Directors overall assessment is that a directed share issue with deviation from the shareholders' preferential right is the most favorable alternative for the Company and is in the best interest of the Company and its shareholders.
3. The share premium shall be transferred to the unrestricted premium reserve.
4. Subscription for the newly-issued shares shall take place no later than 12 March 2026.

5. Payment for the shares subscribed for shall be made no later than 3 April 2026.
6. The Board of Directors shall be entitled to extend the subscription period and the time for payment.
7. The new shares shall entitle to dividends for the first time on the record date for dividends that occurs immediately after the issue has been registered with the Swedish Companies Registration Office and the shares have been entered in the share register maintained by Euroclear Sweden AB.
8. The Board of Directors or the person appointed by it shall otherwise be authorised to make such amendments to the above decisions as may prove necessary in connection with their registration and otherwise take the measures required for the implementation of the resolutions. This includes making any minor adjustments that may prove necessary in connection with registration with the Swedish Companies Registration Office and Euroclear Sweden AB, or for other formal reasons.

The Extraordinary General Meeting's approval of this resolution requires that the proposal is supported by shareholders representing at least two-thirds (2/3) of both the votes cast and the shares represented at the meeting.
